"OLD TIMERS NITE" AT MARION GRANGE

The lights in the Marion Grange Hall were dimmed, not because the electric bill hadn't been paid, but because Marion Grange #339 celebrated "Old Timers' Nite". Kerosene lamps were at the officers' stations. The meeting opened with everyone singing "When You and I Were Young, Maggie". After the salute to the Flag, the roll call found all officers present and each was dressed in old time costume.

Escorted to the right of the master were Deputies Mildred LeBaron, Joseph Bradford and Carl Judson. Also, George Dubriel, master of Stoughton Grange, along with masters of Acushnet, West Wareham, Mattapoisett and South Middleboro Granges.

Linda Wood gave her report of the Youth Leadership School. She thanked the Grange for sending her and two boys, Bruce Messier and Glen Wood. They enjoyed the session very much and their stay was most informative and educational. All three would like to attend next year's class.

Glen Wood, boy of the year of Massachusetts State Grange, hung the plaque Marion Grange had been awarded recently as second place winner.

Invitations were accepted to attend the 50th anniversaries of both West Wareham and South

Middleboro Granges.

Master Ruth Wood gave a brief report on her attendance at the Massachusetts State Grange session in Springfield at which two Marion members received the sixth degree: Linda Wood and Joyce Bean.

South Middleboro Grange almost got the attendance Sputnik but lost out to Acushnet Grange Mrs. Mildred LeBaron, master of Mattapoisett Grange, put in their bid. They are out to get this most elusive Sputnik.

Mr. Raymond Hall of Dennis, a former past master of Marion Grange, won a prize for traveling the furthest to attend the meeting.

It was announced that the Youth chairman, Bruce Messier, was now in the United States Army. Glen Wood was appointed chairman in his place.

It was voted to send the lecturer, Mrs. Mary Messier, to the State Lecturers' Conference to

be held in Worcester November 30th.

Of the 69 attending guests were from Acushnet, Mattapoisett, West Wareham, Stoughton, South Middleboro, Wamsutta, Rochester, Natick, Dennis, Smith Mills, Buzzards Bay and Orford, New Hampshire Granges.

During the lecturer's march blocks of wood were given to four men for a whittling contest. The lecturer's march was won by Mrs. Evelyn Keyes of West Wareham and J. Newton Barrows of Marion in typical old time with eggs in a bag.

Entertainment consisted of a skit, "The Quilting Party", to the tune of "I Was Seeing Nellie Home" in which all lady officers participated assisted by Mr. Raymond Hall.

The men officers presented a skit entitled "The Whittling Men", and Mr. Raymond Wood, Jr. won the prize for his whittling.

Grand finale of the evening was a song and dance number entitled "We are the Marion Girls" to the tune of "Ta Rah Rah Boom De A", performed by Mrs. Ruth Wood, Miss Linda Wood,

Miss Joyce Bean and Mrs. Arletta Bean.

Colored pictures of the evening's entertainment were taken, including the Marion Girls dressed in bright red chemises, worn just above their knees, for the lecturer's scrapbook.

The closing song was "Darling I Am Growing Old" after which refreshments were served by Mr. and Mrs. J. Newton Barrows.

The next meeting will be a Thanksgiving program and refreshments will be in charge of Mr. and Mrs. Arthur Frageau. All surrounding Grange members are cordially invited to attend and join in the fun.

DON KENT TO APPEAR IN MATTAPOISETT

The Mattapoisett Center School Parent-Teachers Club will present "An Evening With Don Kent" on Friday, November 22nd, at 8 P.M. in the Old Rochester Regional High School auditorium.

The popular WBZ TV weatherman has been talking about our New England weather for more than a score of years.

Rather than present a scientific lecture on weather, Don has found that a program of color movies of interesting outdoor subjects teamed with a commentary of his experiences of the past year best illustrate how our changing seasons of weather bring enjoyment to our lives. His personality and humor together with his excellent movies always make for a most enjoyable evening's entertainment.

Tickets may be purchased from local Mattapoisett merchants, at the Center School office or by calling SK 8-2161 or SK 8-6680. There are special tickets for elementary school children.

COLORED SLIDES OF USA

Members and guests of the Rochester Woman's Club were treated to an interesting program of colored slides and commentary by Mrs. Alphonse Raymond of Rochester. "See the U.S.A." was the title of her presentation. Her itinerary followed the northern route across the country and included beautiful views of scenic grandeur in the Yellowstone National Park, Grand Canyon National Park, mirages in the desert and many other points of interest.

Mrs. Ethel Gary presided at the business meeting. Sums of money were voted to support the following charities: New England Home for Little Wanderers, International Scholarship Fund, E. Harding Scholarship Fund, Mass. Society for the Prevention of Cruelty to Children and Plymouth County T. B. Association. Twenty-five dollars was voted to Mrs. George Church for the annual Children's Christmas

and crafts at the First District Conference in Middleboro on November 20. Mrs. Raymond will take articles to be exhibited to the Cabot Club on November 19 for arrangement.

An excellent program has been planned for the First District Conference and Mrs. Gary hopes that a good number of Rochester club members will be able to attend with her. Transportation will be provided for those who desire it. Speakers will be Mrs. Marie Roan Cloud of New York, regional public relations manager for the Sperry and Hutchinson Company, and Miss Frances M. Corcoran of Boston, fashion commentator and producer of shows for leading department stores, designers and specialty shops throughout New England and Upper New York State.

Mrs. Cloud handles public relations for two of the largest regions of the Sperry and Hutchinson Co., distributors of S&H Green Stamps, the Northeast and East Central regions. She was formerly associated with the Boston public relations consulting firm, Newsome & Company, Inc. Before that time she was in the aviation business. She was one of the first five women in the world to fly jet aircraft and she was named an Honorary Colonel of the U. S. Air Force Reserve in 1959. She was formerly a director of the Boston Advertising Club and is a member of the New England Weekly Press Association, American Women in Radio and Television, Inc., and Public Relations Society of America. She is listed in Who's Who of American Women as a "corporation executive". She much prefers title of grandmother. Her topic will be "What

Makes Public Relations".

Miss Corcoran is currently director of Tele-Fashions of Boston. She received her M.A. at Staley College, majoring in speech. She has taken courses in philosophy, psychology and contemporary literature at Boston College, and in public relations, history of fashion at Boston University. She writes a weekly television column for TV Week Magazine and a weekly fashion column for the Brookline Chronicle Citizen. She does all the local and national publicity for WBZ-TV while Public Relations Director for the station. She also finds time to enjoy photography, golf, swimming and skiing.

Delicious refreshments were served by a committee composed of Mmes. Albert Hellyer, chairman; and Roger Wood, Robert Felton and Abraham Jackson.

MARION BOY NAMED OUTSTANDING BOY

SUPPER AT GRANGE HALL

The Marion Grange is sponsoring a ham and bean supper at the Grange Hall Saturday, November 23rd, at 6:30 P.M. Reservations may be made by calling Marion 746W or 1020W.

Supper chairman, Miss Laura Mitchell, will be assisted by Mrs. Mary Messier, chairman of Home and Community Service, and her committee.

TO THE EDITOR:

As legislative chairman of Marion Grange, I deplore the apathy shown by some Massachusetts Granges when legislation was introduced to exempt Grange Halls from local taxation. The best way to let the general public, especially the legislators and assessors, know about our charitable projects on the international, national, state and local levels is a letter to the Editor of a newspaper.

In the past two years, Granges in Massachusetts have raised over $17,000 for the Arthritis

and Rheumatism Foundation alone, and women members have made over 2000 finger-exercisers, which have been distributed to hospitals, nursing homes and individuals.

The Sears-Roebuck Foundation holds the Grange Home and Community Service in such high esteem that each year for the past 16 years, they have sponsored contests with a first prize of $10,000 and lower ones. During this period, this Foundation has given in prize money over $1.5 million, and the Granges have in turn, given to the Nation over $1.5 billion. All the prize money must be used for the betterment of the Grange, and the community.

This year Massachusetts is proud because Harvard Grange is one of the top winners in this program for better rural communities.

Herschel D. Newsom, master of the National Grange, states that Grange members and friends contributed this year over 5 million work hours to community improvement. Projects undertaken included building of community centers, development of parks and recreational facilities, construction of undeveloped rural roads, and support for a wide variety of youth and charitable activities.

Granges are cooperating in an international field of charity by working with other groups

parcel post, rural free delivery and the direct election of United States Senators.

In 1912, the State Grange started a loan fund to help Grange youth to further their educations after High School. From the 2% interest charged, and donations through the years, it was possible in 1938 to start granting scholarships, until now 25 scholarships are granted yearly.

The State Grange played an important part in the creating of the State Police Department in Massachusetts.

Granges can be depended upon to respond according to their means to local health appeals and appeals involving local emergencies.

In announcing the 97th annual session of the National Grange, to be held in Portland, Oregon, in November, National Master Newsom said in part: "Processes of democracy will be functioning at their best, when elected delegates will be considering and acting upon several hundred resolutions, all having originated in the rural atmosphere of some 7000 Granges".

In proclaiming the week of November 22 through the 28th, as Farm-City Week, President John F. Kennedy said in part: "The revitalization of rural areas, and the development of rural resources for the benefit of all citizens, are dependent in large part on a healthy rate of national economic growth, and a national understanding of the ties that bind urban and rural America. I call upon our citizens throughout the Nation to participate fully in the observance of Farm-City Week."

Edna L. Borden.

RIGHT FROM THE HORSE'S MOUTH

Khrushchev has had a busy time recently playing straight man to Mr. Kennedy's image as a statesman. He signed the nuclear test treaty. He reluctantly agreed to buy subsidized wheat from the U. S. but now he is getting bored. Comrade K looks at Mr. K and from long experience and testing he knows an image when he sees it. The shadow boxing now has started on the autobahn to Berlin and will, no doubt, break out in other likely spots. The trouble is that the Image doesn't seem to be equipped to grip the reality. Mr. Khrushchev said last week, "Our people is covering itself with glory. We shall give the capitalist world no peace, since it has to go." This statement is a little politer than "We shall bury you" but the meaning is the same.

X-RAY SURVEY IN MATTAPOISETT

A wide-scale community X-ray survey program is being prepared by the Plymouth County Health

Association through the yearly support of the Christmas Seal Campaign to fight TB and other respiratory diseases. This program, conducted in cooperation with the Plymouth County Hospital in South Hanson and sponsored by local boards of health, will be starting in November.

Tuberculosis is still one of the world's greatest killers. Today in the United States alone, there are between 30 and 40 million people with living TB in their bodies. Over two million of them have actually been ill with the disease. An estimated two million more will develop the disease in their lifetime - UNLESS IT IS PREVENTED. To treat tuberculosis, however, it is obviously necessary to locate the people who have the disease. The Plymouth County Health Association is, therefore, conducting a community X-ray survey of selective groups which seem to have a high rate of TB and other respiratory diseases.

The 1963 Fall X-ray schedule of the Plymouth County Health Association will cover the towns of Mattapoisett, Rochester, Lakeville, Norwell, Marshfield, Kingston and Plymouth.

The rapid progress in the fight against TB and RD is something in which every one can take pride.

Men over 25 years of age, senior citizens (those over 60) and all persons employed in the handling of food or drink are advised to be x-

CARLTON FREDETTE
MANAGER, FLOOR COVERING DEPT.

Carlton Fredette, formerly associated with some of New Bedford's leading floor covering establishments during the last 16 years, is now offering the benefit of his experience to Cornwell's floor covering customers.

Drop in anytime. He'll be glad to help you with your floor covering problems be it carpet, tile or linoleum. See him for beautiful floors expertly installed without waiting by our own factory trained mechanics who always work with Cornwell's high standards in mind.

Now is the time to get that new floor down for the holiday season. A phone call will bring a trained expert to your home to measure your floor and give you a free estimate. No obligation of course.

rayed during the Special Groups X-ray Survey planned for the town of Mattapoisett on Friday, November 15th. A mobile X-ray unit will be parked at the Town Hall, Main and Church Streets from 10:00 - 12:00 noon; 2:00 - 4:00 P.M. and 7:00 - 9:00 P.M.

Chest X-rays are considered especially important for men over 25 because the TB case rate is four times greater for them as opposed to women of the same age. Many older people think that because they feel well, or because no one in their families has had TB they do not need X-rays. However, an X-ray should be a a yearly habit with them because TB is no respecter of age and in recent years is found more often in older folks. Foodhandlers fall into one of the groups having high TB rates and in some cases other respiratory diseases and, for that reason, their need to check their chests with regular X-rays is greater than that of the general population.
